# WELCOME TO AG EXPO 2024

Once again, we are pleased to host the agriculture industry at Ag Expo in Lethbridge, Alberta.

2023 was a year of extremes! In different areas and at different times across the region we saw drought, softball-sized hail, heat and cold (remember Ag Expo 2023?) But we were blessed with good weather through harvest, and across the prairies - for the most part - yields were better than expected.

This year, we expect to see a full house, as we have a sold-out show and a brand-new venue! As you begin to plan your visit, make sure to check out the North American Seed Fair. It's a highlight

of the show each year, and this year it will be surrounded by new technology exhibits in our Tech Zone! The industry never ceases to amaze me with new innovations and products to make farmers more efficient and more profitable.

The City of Lethbridge and the Province of Alberta are pleased to welcome farmers from across the Prairies, and we are also expecting visitors from around the globe as we celebrate the business of agriculture!

# ABOUT AG EXPO

In the heart of Canada’s Food Corridor, Ag Expo is Western Canada’s premier agricultural expo. Seamlessly merging state-of-the-art technology and equipment with the enduring spirit of hardworking farm culture, Ag Expo provides visitors with a captivating glimpse into the industry that beats at the heart of Southern Alberta.

Displayed in the Salons of the Agri-food Hub & Trade Centre, the North American Seed Fair is one of the oldest Seed Fairs in Western Canada. Here you will find a showcase of over 25 classes of Pedigreed Seed, Open Classes, and Junior Classes.

Ag Expo brings together the world’s most innovative agricultural solutions and invites those working in the industry to learn about all the options for their operations. Experience the latest farming equipment, and trade and invest with exhibitors launching innovative industry technology - from irrigation systems and farm equipment to livestock supplies, chemicals, and seeds. Connect directly with major producers and marketers of crops and livestock while finding the tools and resources you need - all in one place.

## thinkAG | Career Fair hosted by Ag for Life and Ag Expo

Agriculture for Life (Ag for Life) and Ag Expo are excited to present the thinkAG Career Fair in February 2024! Students in grades 9 – 12 are invited to participate in a one-of-a-kind career experience. Learn how your students' unique interests align with the agriculture industry through participation in interactive, thought-provoking explorations. Students will have the chance to listen to a line-up of agriculture professionals active in the field, participate in a Q and A session, and visit the Ag Expo showroom floor.

Ag for Life has been delivering impactful, educational programs and awareness, connecting students of all ages to the culture of agriculture since 2011. It is our mission to educate and inspire the next generation to pick up the torch and dive into this industry of growing opportunity, playing an integral role in society, the economy, and the environment. The thinkAG Career Fair hits curriculum outcomes within career and life management, propelling students forward in their lifelong career development journey through networking and career mentorship opportunities. Exposed to a range of career possibilities within agriculture, students can rub elbows with industry leaders and analyze the career paths of others to find their fit. Hosted at the Agri-food Hub & Trade Centre, a space provided by Ag Expo in Lethbridge, the thinkAG Career Fair will be held between 9:00 a.m. and 2:30 p.m. on Thursday, Feb. 29, 2024. Don't miss out on this opportunity for hands-on industry immersion, and allow your students the chance to ask their burning questions and seek out education and employment opportunities within the agriculture industry.
